Dear Sir /Madam,

Pursuant to Regulation 30 read with Para A of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform the Exchange of a fraudulent incident as under:

Brief details of the incident:

The Company had placed orders for raw materials/ input material for production of transformer bushing ("**Material**" for short) with a regular vendor based in China.

An email purportedly from the exporter, asking for a change in their bank account details and location was received. The Company insisted for a mandate from the exporter and confirmation from his banker, which was also furnished. Considering long association with vendor and based on documentary confirmation received, the Company processed the payment to the revised account details and partial shipment of materials was also received.

The fraud came to light subsequently when the supplier reported non-receipt of funds.

The incident has no material impact on the operations of the Company. We would like to clarify that the partial shipment of material for production of Transformer bushing has also been successfully received by the Company on 31st March, 2026.
