Independent Auditor's Review Report on the Quarterly and Year to date Unaudited Standalone Financial Results of Fratelli Vineyards Limited, Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

**Review Report to
The Board of Directors,
Fratelli Vineyards Limited
(Formerly known as Tinna Trade Limited)**

Delhi

1. We have reviewed the accompanying statement of unaudited standalone financial results of Fratelli Vineyards Limited (Formerly known as Tinna Trade Limited) (the "Company") for the quarter ended December 31, 2025 and the year to date results for the period April 01, 2025 to December 31, 2025 (the "Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India ("ICAI"). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of company personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS")

specified under section 133 of the Act, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to the standalone unaudited financial results for the quarter and nine months ended December 31, 2025

- 1 The above unaudited standalone financial results of the Company have been reviewed by the Audit Committee and approved by the Board of Director of the Company at their respective meetings held on February 12, 2026. A limited review of these results for the quarter and nine month ended December 31, 2025, has been carried out by the Statutory Auditor, as required under Regulation 33 of SEBI (LODR) Regulation, 2015.
- 2 These unaudited standalone financial results of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard) Rules 2015, amended.
- 3 **Segment Reporting**
The segment reporting of the Company has been prepared in accordance with Ind AS-108, "Operating Segment" (specified under the section 133 of the Companies Act 2013 (the Act) read with Companies (Indian Accounting Standards) Rule 2015 (as amended from time to time) and other relevant provision of the Act). For management purposes, the Company is organized into business units based on its products and services and has two reportable segments as follows:

Operating Segments :

Agro Commodities	Pulses,Grains,Oil Seeds and Edible Oil, Soyabean meal, Sunflower meal, etc
Steel Abrasives	Steel shots, Steel Cut Wire Shots

Identification of Segments:
The Board of Directors monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments have been identified on the basis of the nature of product / services and have been identified as per the quantitative criteria specified in the Ind AS.
- 4 During the current period, the Company reviewed the deferred tax assets and liabilities arising from deductible and taxable temporary differences. However, due to continued uncertainty regarding the availability of sufficient future taxable profits to recover accumulated losses and unused tax credits, no deferred tax asset has been recognised in the financial results. Further, deferred tax assets recognised up to September 30, 2025 amounting to ₹361.12 lakhs have been charged to the Statement of Profit and Loss.
- 5 The Government of India, with effect from November 21, 2025, notified the Code on Social Security, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; the Industrial Relations Code, 2020; and the Code on Wages, 2019 (collectively, the "Labour Codes"), which replace existing central labour legislations. As per Ind AS 19 'Employees Benefit', changes to employee benefit plans arising from legislative amendments constitute a planned amendment, requiring recognition of past service cost immediately in the statement of profit and loss. There is no financial impact due to introduction of new labour codes in these financial results. The Company continues to monitor the finalization of Central/ State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect as and when such clarifications are issued/rules are notified.
- 6 The unaudited standalone financial results of the Company for the quarter and nine month ended December 31, 2025 are also available on the Company's website (www.fratelliwines.in) and on the website of BSE (www.bseindia.com) in accordance with the provision of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

**Review Report to
The Board of Directors,

(Formerly known as Tinna Trade Limited)
Delhi**

1. We have reviewed the accompanying statement of unaudited consolidated financial results of **Fratelli Vineyards Limited** (Formerly known as Tinna Trade Ltd.) (the “Holding Company”) and its subsidiary (the Holding Company and its Subsidiary together referred as the “Group”) for the quarter ended December 31, 2025 and the year to date results for the period April 01, 2025 to December 31, 2025 (the “Statement”), attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the “Listing Regulations”).

3 Segment Reporting

The segment reporting of the Company has been prepared in accordance with Ind AS-108, "Operating Segment" (specified under the section 133 of the Companies Act 2013 (the Act) read with Companies (Indian Accounting Standards) Rule 2015 (as amended from time to time) and other relevant provision of the Act). For management purposes, the Company is organized into business units based on its products and services and has two reportable segments as follows:

Operating segments have been identified on the basis of the nature of product / services and have been identified as per the quantitative criteria specified in the Ind AS.

- 4 During the current period, the Holding Company reviewed the deferred tax assets and liabilities arising from deductible and taxable temporary differences. However, due to continued uncertainty regarding the availability of sufficient future taxable profits to recover accumulated losses and unused tax credits, no deferred tax asset has been recognised in the financial results. Further, deferred tax assets recognised up to September 30, 2025 amounting to ₹361.12 lakhs have been charged to the Statement of Profit and Loss.

As per Ind AS 19 'Employees Benefit', changes to employee benefit plans arising from legislative amendments constitute a planned amendment, requiring recognition of past service cost immediately in the statement of profit and loss. The calculated financial impact due to introduction of new labour codes has been taken in these financial results. The Company continues to monitor the finalization of Central/ State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect as and when such clarifications are issued/rules are notified.
