PRESS RELEASE

SUSAN ELECTRICALS INDIA LIMITED REPORTS 2.7X YOY REVENUE GROWTH IN Q1 FY27; OPERATING PROFIT SURGES 9.8X

GHAZIBAD, August 14, 2026 – Susan Electricals India Limited (BSE SME: SUSAN | 544793) delivered a strong Q1 FY27 performance, driven by robust order execution, expanding customer relationships, and enhanced manufacturing capabilities. With a healthy order book and strong business pipeline, the Company remains well-positioned to capitalize on growing demand for aluminium conductors, wires, cables while focusing on sustainable growth and long-term value creation.

Particulars (₹ Lakhs)	Q1 FY27	Q1 FY26	YoY growth (%)
Revenue from operations	9,535.68	2,516.31	278.95%
Operating Profit	1,137.34	105.29	980.20%
Operating Margin (%)	11.9%	4.18%	774 bps
PAT	639.13	(41.55)	Loss to Profit
PAT Margin (%)	6.70%	-1.65%	NA

Key Performance Highlights

- **Strong Q1 FY27 Performance:** Delivered strong growth in Q1 FY27, supported by robust execution, improving product mix and higher absolute EBITDA per unit across the products.
- **Strategic Shift Towards Higher-Margin Products:** Increasing focus on LT & HT Cables and MVCC, driving a better product mix.
- **Strong Order Visibility & Near-Term Execution:** The **unexecuted order book stood at ₹142.39 crore** as of June 30, 2026, with a significant portion expected to be executed within the next three months. The company also has an active order pipeline of ~₹150 crore, providing healthy visibility for near-term growth.
- **Capacity Expansion On Track:** Capacity expansion of 4,500 Km p.a. will increase installed capacity from 7,500 Km to 12,000 Km p.a., representing a 60% increase, with commercial operations expected from February 2027 onwards.

Strengthening Order Visibility

- Unexecuted Order Book: ₹142.39 Crore as of 30th June-26.
- Active Order Pipeline: ₹150 Crore as of 30th June-26.
- **Total Order Visibility: ₹292 Crore** as of 30th June-26.
- This strong order visibility provides a healthy revenue pipeline and supports the Company's growth outlook going forward.

Revenue Contribution – Product Wise in %

Product	Q1 FY27	Q1 FY26	Change YoY
Winding Wire	24.39%	47.74%	-23.35%
LT Cables & Conductors	65.68%	46.70%	+18.98%
HT Cables & MVCC	7.11%	2.07%	+5.04%
Other Operating Revenue*	2.82%	3.49%	-0.67%
Total	100%	100%	

*includes revenue from trading of products

Management Commentary

Commenting on the performance, **Vishal Jain, Chairman & Managing Director**, Susan Electricals India Limited, said:

"We are pleased to have delivered strong growth in Q1 FY27, supported by robust execution, an evolving product mix and improving EBITDA per unit across our product portfolio. The performance reflects the continued strengthening of our execution capabilities, customer relationships, and presence across the power transmission and distribution ecosystem.

A key strategic focus for us is the **continued shift in our product mix towards LT and HT Cables and MVCC, where we see greater value addition and stronger margin potential compared with our traditional Winding Wire business**. The change in our revenue mix during the quarter reflects this strategic direction, with higher-value cable products contributing an increasingly larger share of our business. **We believe this transition will support further improvement in EBITDA per unit and overall profitability.**

Our **unexecuted order book stood at approximately ₹142.39 crore as of June 30, 2026**, providing strong near-term revenue visibility, with a significant portion expected to be executed over the next three months. In addition, **our active order pipeline of approximately ₹150 crore** provides further visibility for sustained growth in the coming quarters.

We are also making steady progress on our **capacity expansion** plans, which remains **on track for commercial operations from February 2027 onwards**. The proposed expansion will add 4,500 Km p.a. of capacity, increasing our installed capacity from 7,500 Km to 12,000 Km p.a., representing a 60% increase. This additional capacity will strengthen our ability to cater to growing demand across LT, HT, and other higher-value cable segments.

Going forward, supported by strong demand visibility, faster execution capabilities, an improving product mix, and better operating leverage, we expect to sustain our multifold growth trajectory through FY27.

Conference Call Details: 18th August-26 at 4:00pm IST

About the company

Susan Electricals India Limited is a leading manufacturer of wires, cables and power distribution products, serving government utilities, EPC companies, infrastructure players and private customers across India. Established in 2007, the Company has built a diversified product portfolio comprising winding wires and strips, aluminium conductors, LT cables, HT cables and medium-voltage covered conductors, supported by three manufacturing facilities in Ghaziabad, Uttar Pradesh. With strong certifications, an established customer base and expanding manufacturing capabilities, Susan Electricals is strengthening its presence across high-growth segments such as power transmission and distribution, railways, utilities and infrastructure, while pursuing geographical expansion and capacity enhancement to capture rising demand.
