## 7. Update on Integrated Manufacturing Unit and Commencement of Commercial Production:

The Company has established an integrated manufacturing unit on land obtained on lease and licence basis from the **Karnataka Industrial Areas Development Board (KIADB)**, towards which a part of the IPO proceeds was proposed to be utilised.

As per the agreement entered into with KIADB, certain conditions and timelines were prescribed for completion of the project and commencement of commercial production. The Company is pleased to inform the shareholders that the integrated manufacturing unit is nearing completion and the Company is taking necessary steps towards commencing commercial production. The Company expects to commence its commercial production by the end of **October 2026**, following completion of the requisite work and operational requirements well before the extended timelines.

The Company remains committed to completing the project and commencing commercial operations at the earliest, in accordance with the applicable requirements and approvals.

We also wish to bring to the notice of the Exchange that the Board Meeting commenced at 12:00 Noon and concluded at 2:30 P.M. today.

Kindly take the above information on record.

Thanking you.

Yours faithfully,

For **Avana Electrosystems Limited**
